

Missouri State Beekeepers Association

2027 Missouri State Fair Bid Sheet

September 9, 2026

MSBA needs Missouri honey, pollen and beeswax for the State Fair. We will accept bids/offers until April 1, 2027. Bidding requirements are as follows:

- **Member of MSBA (you can renew or join for only \$15).**
- **Produces honey, wax or pollen in Missouri. Products provided must be produced entirely within Missouri. Each product category can be a “stand alone” bid.**
- **Bidders utilizing an inspected commercial kitchen (not required) will be given preference. Bidders without a commercial kitchen will need to meet Missouri labeling requirements, using a label applied to the back of the bottle. MSBA special event labels will be applied to the front of the bottles at the State Fair.**
- **Extracted Honey - Can bottle and deliver up to 975 pounds of extracted honey.**
- **Cut Comb Honey – Historically the fair has used 100 pounds or more of cut comb honey. Bidders, please provide both your price and quantity you can provide. Multiple bidders may be used in this category.**
- **Creamed Honey - Can package and deliver 30 pounds of creamed honey (flexible on container sizes and flavors). Inspected commercial kitchen required.**
- **Pollen - Can package and deliver 4 pounds of pollen.**
- **Wax - Can deliver 15 pounds of bee’s wax in 1-ounce bars. (Coordinate with MSBA State Fair chair about quantity each year.)**
- **MSBA will adhere special event labels to all edible products.**
- **All products must be delivered to the Missouri State Fairground, Agriculture Building on the Monday or Tuesday of the opening week. (Coordinate with the MSBA State Fair Chair).**
